Vorwort

Die Vorbereitungskurse zur Berufsreifeprüfung dauern in der Regel 2 Semester. In dieser Zeit muss im Prinzip der Oberstufenstoff erarbeitet werden. Um dies in dieser kurzen Zeit zu schaffen, sind ein bestimmtes Einstiegsniveau Voraussetzung. Bisher war unsere Faustregel zum Einstiegsniveau über Schulabschlüsse definiert: „gute Hauptschulkenntnisse“ bzw. „gute Unterstufenkenntnisse“.

Mit dem vorliegenden Test zur Selbst Einschätzung können Sie nun differenzierter überprüfen, ob ihre Basiskenntnisse für einen Kurseinstieg ausreichen und in welchem Bereich ihre Stärken oder Schwächen liegen.

Falls sie zu dem Ergebnis kommen, vor dem BRP-Kurs doch noch Grundlagen auffrischen zu wollen, setzen sie sich mit uns in Verbindung (Eva Böhm, eva.boehm@vhs.at bzw. Christian Nowak, christian.nowak@vhs.at, beide unter 01 / 272 43 54 zu erreichen).

Nehmen sie sich Zeit für diesen Test – und seien sie ehrlich zu sich selbst.

Christian Nowak (Programm-Manager Berufsreifeprüfung, VHS Floridsdorf)

Placement Test

In unserem Englisch-Vorbereitungslehrgang für die Berufsreifeprüfung (BRP) lernen Sie in einem Jahr, was in der Oberstufe vermittelt wird. Diese sehr intensive Maturavorbereitung kann nur bei guten Basiskenntnissen zum Erfolg führen.

Dieser Placement Test soll für Sie eine Orientierungshilfe sein,

- ⇒ ob Ihre Englisch-Vorkenntnisse ausreichen, um die BRP-Vorbereitung zu beginnen,
- ⇒ ob es anzuraten ist, Ihre ev. etwas „verschütteten“ Kenntnisse aufzufrischen, oder
- ⇒ ob für Sie zum Erwerb der grundlegenden Einstiegskenntnisse ein Englisch-Basistraining anzuraten ist.

Lesen Sie die Angaben genau durch und machen Sie die einzelnen Übungen in der vorgegebenen Reihenfolge. Am Ende des Tests finden Sie den Lösungsschlüssel und Hinweise zur Auswertung. Jede richtige Antwort ist ein Punkt!

The test should take 45 - 60 minutes!

Good Luck ☺

Manuela wants to find out as much as possible about Newcastle and finds an article on the internet.
Read the text about Newcastle carefully and do the exercises below the article. (3a and 3b)

NEWCASTLE:

<http://www.aboutbritain.com/towns/newcastle-on-tyne.asp> (*adapted and abridged*)

Newcastle is a vibrant friendly city, situated in the north east of England, on the banks of the River Tyne and surrounded by the scenic beauty of Northumbria. An ideal place from which to tour the coastline, with its sandy beaches and sand dunes, or explore Hadrian's Wall and the many castles.

The Romans built the first bridge over the River Tyne, guarded by a fort on Hadrian's Wall. Later the Normans built a wooden fort and so the first 'New Castle' was created in 1080. During the Middle Ages Newcastle developed into an important trading community and was one of the great provincial centres. As early as Elizabethan times, Newcastle was exporting coal. The tax from this trade brought great wealth to the city.

From the late 17th century other trades and industries developed, and shipbuilding was one of the great industries associated with Newcastle. By the 19th century Newcastle was a centre for commercial enterprise, many trades and industries brought prosperity to the town.

The River Tyne is spanned by six bridges, which constitute the most famous view of the city. The three most famous ones have led the way for designs around the world. The Tyne Bridge is the best known of them. Upstream the Swing Bridge stands on the line of the original Roman Bridge. The High Level Bridge was designed by Robert Stephenson and was the world's first road and railway bridge; the railway being carried above and the road below. The latest is Gateshead Millennium Bridge, the first opening bridge to be built across the River Tyne for more than 100 years.

Today's visitor will find Newcastle full of attractions old and new, a few of the highlights are: Earl Grey's Monument, St. Nicholas Cathedral, the Castle Keep, Bessie Surtees' House, and Blackfriars. If you feel like a break from sightseeing take time for a stroll in the beautiful Jesmond Dean Park in the heart of the city.

Newcastle can boast three large shopping centres, many fascinating museums as well as cinemas, theatres presenting a vast range of entertainment, sport and leisure centres, art-centres and a rich variety of clubs, restaurants, bistros and coffee shops catering for all tastes, pubs and bars all selling the local brew called Newcastle Brown Ale and everything else you could wish for.

4) A letter to Manuela's cousin Cathy in Chicago

After her trip to Newcastle Manuela writes a letter to her cousin Cathy in Chicago. She tells her everything about her stay, her job as an au pair and, of course, she also describes her sightseeing tour.

Read the letter carefully and fill in the correct tense of the verbs in brackets – PRESENT SIMPLE, PRESENT CONTINUOUS, PAST SIMPLE, PRESENT PERFECT SIMPLE or WILL FUTURE.

August 4th, 2011

Dear Cathy,

I (1) (not hear) from you for a long time, but I hope you (2) (be) fine. As you know, I (3) (start) my au pair job in Newcastle in July, so I (4) (live) here for about 3 weeks. I (5) (stay) with the Fosters: John, Pamela and their kids Paul and Sally. Paul (6) (be) 10 years old and Sally is 4. And I (7) (have) a good time with them. My job is to look after the children, and sometimes I also (8) (help) with the housework: in the morning I usually (9) (prepare) breakfast. Then I take Paul to school and Sally to the kindergarten. At 12.30 I fetch Sally and we (10) (have) lunch together. Paul (11) (not eat) lunch with us, because he (12) (stay) at school. Then Sally normally (13) (sleep) for an hour. When she (14) (wake) up we go to the playground. Mrs Foster generally (15) (prepare) supper and we all (16) (enjoy) the evening meal together.

After that I often (17) (watch) TV, write letters or emails or meet other au pairs. I (18) (meet) many interesting people here so far.

I (19) (not work) at the weekends, so I can go on trips. Last weekend, for example, I (20) (visit) Newcastle. The city (21) (be) wonderful, especially all the different bridges and the riverside. There (22) (be) also some museums and churches and nice shops. I (23) (buy) a lovely sweater and some souvenirs for my family. I also (24) (see) a pair of sandals. They (25) (look) gorgeous, but I (26) (not buy) them because they (27) (be) too expensive.

Maybe next weekend, some friends and I (28) (go) to Edinburgh.

I (29) (have to) stop now. It's almost midnight and I have to get up early. But I (30) (write) again soon – I promise.

Looking forward to hearing from you soon.

Love, Manuela
